## Creyhound Rep's Visit Coleman

COLEMAN — Two representatives of the Greyhound Bus Lines visited Coleman Wednesday in regard to a letter written by the Coleman Board of Trade who were enquiring as to why the Greyhound depot had been moved from the main street to the eastern extremity of Coleman.

The representatives informed R. J. Hill of the Coleman Board of Trade that the reasons for this action was that the proprietor of the former bus stop had expressed his desire to relinquish the agency, there was no proper parking facilities and because of the difficulty in climbing the hill near the overpass during snowy weather. These were the reasons given by the men for having moved the agency to the Little Chief Service Station at the east end of Coleman on the number three highway.

However, a more suitable location on the main street will be investigated and if arrangements can be made, it is possible that the bus stop may be returned to the main street which will be more convenient for the residents of Coleman.

## Miners' Union To Support Slave In Elections

COLEMAN — The Coleman Local of the United Mine Workers of America at its regular meeting held in the Union Hall Sunday agreed that the union would sponsor a slate of union members to run for vacancies on the Coleman town council and the Coleman School Board. The annual meeting in Coleman will be held in February 14th, nomination day has been set for February 21st and elections if necessary will be held on March 7th.

## Features Richest Purse In Golf History

The Sponsor's Tournament, with 1957 as a \$50,000 special event the richest purse in Canadian golf history — will come to Canada in marking the 100th anniversary of the House of Seagram, it was revealed today.

The tournament will be run jointly by the Royal Canadian Golf Association and by the House of Seagram, which is a member of the U.S. Association of P.G.A. Tournament Sponsors. The bonanza event will be in addition to — and apart from — the Canadian Open which now is a \$15,000 affair.

Last year, the Sponsor's Tournament made its debut as part of the Washington Post Open. This year it goes to Boston as a Curling event. Next year is still open, but 1957 has definitely been established as a Canadian year and a Seagram anniversary event.

Under the Sponsor's Tournament regulations, a number of sponsors of large, regular tournaments on the P.G.A. schedule each contribute \$2,000 a year to a fund, part of which goes toward the operating expenses of the P.G.A. and the remainder — about \$25,000 — goes into the season's end Sponsor's Tournament.

Each Sponsor gets the Sponsor's Tournament in rotation, provided that Sponsor will put up an additional \$25,000 for the event. Seagrams will provide the extra money in 1957, and will also put up the \$15,000 for the Canadian Open as usual.

Quite aside from the big 1957 event, Canadian Golf tournament fans will benefit by watching more starry fields in the Canadian open from now on. To be eligible to enter the Sponsors event with its heavy prize money, a circuit player must compete in 75% of all tournaments sponsored by members of the Sponsor's Association; and must not pass up any one Sponsor's Tournament two years in a row.

There are no exceptions to the rule to the Canadian Open — virtually assured of the full field of name golfers from now on. In the past, the Open has usually had a fair share of top names, but in future the field can logically be expected to be better than ever.

## Grand Chief Visits Coleman Pythian Sisters

COLEMAN — The Pythian Sisters of Hillview Temple No. 11, Hillcrest and the Progressive Temple No. 3 met jointly at a special meeting in the I.O.O.F. Hall in Coleman on January 19th to honor Grand Chief Sister Jean Blocum of Edmonton who paid her official visit to the Pass.

The Grand Chief gave an inspiring talk to the Orders after which she was presented with a gift of Love by sister Fannie Cole on behalf of the Hillview Temple and by Sister Janet Bayon on behalf of the Progressive Temple. Corsages were presented to all of the Grand Officers.

After the meeting relatives and friends attended the Public Installation of the Hillview Temple headed by Sister Fannie Cole. The officers were installed by Sister Penney Past Grand Chief assisted by Sister Joyce Anderson Past Chief and Sister Margaret Johnson Past Chief. An impressive memorial service was then exemplified by the Sisters of the Progressive Temple.

To conclude the successful event the social committee served the members and guests a turkey banquet.

## Kimberley Downs Grands 9-4

Following is an account in brief of the hockey match held in the Coleman arena on January 29th, when the Kimberley Legionnaires downed the local team to the tune of nine to four.

Scoring —

1st Period: Kimberley — Livingstone 2:30, Sorenson 9:20, M. Matthews (Rohatynski) 13:04. Coleman: Tomlins (Cerny) 15:30, Kimberley: R. Matthews (Kershaw) 19:47.

2nd Period — Kimberley: Rohatynski (Kershaw) 8:35, Coleman: Tarcon (Kryczka) 4:25, Kimberley: R. Matthews 9:15, B. Kavanagh (R. Matthews) 9:25, R. Matthews (Kavanagh) 16:30.

3rd Period: Kimberley (R. Matthews) 1:55, Coleman: Tarcon (Kryczka) 12:15, Lee (Tomlins) 17:40.

PENALTIES — 1st Period: Kershaw (Tripping) 2 min. 9:22, Tarcon (Holding) 2 min. 17:35.

2nd Period: Sorenson (Elbowing) 2 min. 13:40.

3rd Period: M. Matthews (Boarding) 2 min. 8:05, Kuntz (Interference) 2 min. 12:00, Kershaw (Elbowing) 2 min. 15:55.

## Scenic Films Shown At Coleman Legion

The Crow's Nest Pass Film Council has inaugurated a new series of film showings. These are a series of ten of the 10 Canadian Provinces with each province selecting the films that best personify their province. To date two in this series have been shown here. The first on Nova Scotia and the second on Prince Edward Island. These are on a two week's schedule being received here every second week and being shown in Coleman Canadian Legion Thursday evenings and in the Moose Hall at Hillcrest on Sunday evening.

These films, mostly in color, have been received with enthusiasm by the audiences and are very interesting as they depict nationalities, industries and local life in each province. It is hoped to include films on the Northwest Territories and Alaska in this tour.

The local Film Council has purchased another projector and it is hoped that in this way more organizations may take advantage of the film services and also learn to operate this projector. Classes are open for instructions on the operation of these two projectors and anyone interested is asked to get in touch with Mr. J. Curry of Hillcrest, Training officer for the Council.

The regular meeting of the Council will be held in the Forestry offices in Blairmore on Monday, February 7th.

All interested are asked to attend this meeting. Nomination of officers for the coming year will take place at this time.

## LIONS SUPPORT GIRL SCOUTS

Lions Clubs are the sponsors of more than 650 Girl Scout Troops in the United States. The Boys and Girls Committees of the Lions Clubs last year completed more than 21,000 individual community projects to help the youth of their respective communities. Of these activities a large percentage was in direct support of Scouting programs. The Lions now sponsor more Girl Scout Troops than any other organization in the world.

## New Elks' Hall Has Grand Opening Here

COLEMAN — The newly purchased, re-decorated Elks' Hall, in Coleman was well christened on its opening night Friday when well over two hundred persons attended a banquet supper and dance for the splendid occasion.

In opening the ceremonies Chairman of the affair Adam Wilson of Coleman called upon the guests to rise to sing O Canada after which Mr. Wilson called upon brother Harry Gate of Coleman to hang the photo of the Queen donated by Mr. Gate to the Elks Lodge for the new hall.

After a toast to the Queen proposed by Mr. Wilson, Steve Wavrean said Grace before the sumptuous banquet.

Following the banquet Mr. Wilson remarked on the beauty of the new hall pointing out that this was a credit to the town of Coleman. Although, stated Mr. Wilson, reports have indicated that Coleman was a ghost town, the construction of this hall was the first step in rebuilding the town of Coleman. He concluded by saying "There will always be a Coleman even when there is no place else."

Miss Anne Rodsch, popular young Coleman vocalist was then called upon and presented two much appreciated solos. She was accompanied by Bert Bond on the piano.

Mr. Wilson then called upon Brother Charlie Freeman who Mr. Wilson described as being one of the pillars of Elksdom and one member that the Coleman Lodge could not get along without. In his remarks Mr. Freeman gave a brief history of how the hall was first acquired and stated that this purchase was made possible by the contributions made by Henry Nelson a lumber contractor of Fernie, B.C. and by Tony Savello a Fernie business man. Mr. Freeman also expressed sincere thanks to the following who furnished skilled help in the remodeling of the spacious hall, F. Berlin, A. Montalbetti and Coop, Brother D'Amico, Bartoletti, Castellano and Ed D'Appalonia. The driving force, behind the Elks lodge pointed out Mr. Freeman were Oratio Celli, Joe Wavrean and Henry Zak whose untiring efforts saw the hall finished to its present state.

In concluding Mr. Freeman stated that within a few years he hoped to see a small paper bonfire out in the spacious parking lot at the rear of the building when it would be possible to burn the bills on the building.

Mayor Frank Abousaffy then addressed the gathering and stated that the building of the hall clearly showed what could be done when a body like the Elks got together. He closed the hall as the second great achievement in Coleman placing the building next to the Curling arena which was a community effort. He added that the building not only showed the ambition of the Elks but well displayed the character of the members. In conclusion he added that the hall was a credit to Coleman and would continue to be a credit for many years to come.

Little Cynthia Bond then entertained the guests with two excellent piano solos after which Exalted Ruler of the Coleman Lodge Joe Wavrean gave a brief address thanking each and every one of the Elks members the Order of the Royal Purple and all others that had assisted in any way in the remodeling of the Elks Community Hall.

Mrs. Nora Goulding, District Deputy, Grand Honored Royal Lady representing the Grand Lodge of the O.O.R.P. then expressed the congratulatory of the Grand Lodge and wished the Elks much success in their new enterprise.

Sister Mildred Zak, Honored Royal Lady of the Coleman O.O.R.P. then gave a brief address stating that it had been a pleasure to help the Elks in their new hall and in concluding she presented the Elks lodge with a new piano a gift to the hall from the Royal Purple.

Grand District Deputy Harold Culham of Blairmore was then called upon and in his remarks he heartily congratulated the Coleman Elks for a job well done. He stated that the town of Coleman should well be proud of the fine work being done by the Elks lodge which was well exemplified in their calling their Hall the Elks Community Hall which was available for all community occasions as he stated there can be no community functions if there is no community hall. He asked the members of the Coleman lodge to attend meeting and assist the officers as he concluded, the lodge will become greater and stronger and greater things can be done. In conclusion he extended the congratulations of the Grand Lodge.

Oratio Celli, Coleman contractor was then called upon and given thanks for the large part he performed in helping to remodel the hall. In response Mr. Celli commended the members of the Elks lodge who had worked under his direction pointing out that a finer crew of men he could have found nowhere. A word of thanks was extended to Mr. Celli by chairman

## Bill Holyk New President — Coleman Bd. of Trade

COLEMAN — Coleman Board of Trade held a meeting over the week-end for the purpose of electing a new slate of officers for the coming year. The slate turned in by the nominating committee were appointed to office and will comprise President William "Bill" Holyk; Vice President Bob Pattinson; Treasurer Charlie Freeman and secretary J. R. "Rollie" Hill. One year directors will be Mayor Frank Abousaffy, James Allen Sr. and Jim Kerr. Two year directors will be Chris Rogers, Angelo Toppiano and Harry Boulton.

## Jalleg Addresses Pass Teachers

COLEMAN — The Crow's Nest Pass local of the Alberta Teachers' Association met in the Coleman school Thursday evening, Jan. 28. President Ray Spillars of Coleman presided.

The highlight of the meeting was an address given by William Jalleg of Blairmore on the modern philosophy of education. Mr. Jalleg outlined the principal features of the modern philosophy of education and the criticisms voiced against it by present day educationists, industrialists and general public.

A lively discussion followed Mr. Jalleg's address after which lunch was served by the Coleman staff. At a previous meeting in Blairmore, John McDonald of Coleman gave an address on Thinking as the Basic Core of Curriculum. At each meeting of the local, similar educational discussions were held.

## Legion News Coleman Branch

FIGHT POLIO — Is the Legion's password for the next two weeks as Canadian Legion Branches all over Alberta go into full swing in the drive for funds to combat Polio in Alberta. As you may know over \$500,000 was raised last year and this fund provided care, treatment, hospital, doctor and household services to families who were hit by this dread disease. Hospital technicians were trained by outstanding doctors. Iron Lungs were provided to a number of hospitals and a grant of \$10,000 a year is given the University of Alberta Hospital at Edmonton for research. This fund has the lowest administrative cost of any. No financial gains are made by the Canadian Legion. We supply practically all necessary supplies needed for the soliciting of funds and for handling the business end of the campaigns. The administration is carried out by the Canadian Legion, the Alberta Government Health Services and the Lieutenant Governor of Alberta.

When the Legion canvassers call on you give as generously as you are able. All donations for \$1.00 or more are income tax deductible and for which purpose you will be issued a receipt. The town of Coleman gave generously in 1954 with over \$1,200 being subscribed. Remember when you give to this Campaign you may be giving someone in Alberta maybe even in Coleman a fighting chance to lick this dread disease.

Adam Wilson who stated "Thanks Oratio We OWE YOU A LOT". Steve "Tex" Wavrean then entertained the audience with several guitar solos and songs.

Exalted Ruler Joe Wavrean at this time called upon Honored Royal Lady Mildred Zak of the Coleman Order of the Royal Purple and presented Mrs. Zak with a set of keys for the hall for the use of the Royal Purple.

George Rushton, Coleman old timer, was called upon being the lodges first charter member. In a few words Mr. Rushton stated that this year would mark his thirty years with the lodge and that he was very proud to be an Elk.

The eleven o'clock ceremony was then held conducted by Exalted Ruler Wavrean after which the guests enjoyed several hours of dancing.

The hall will be officially opened at a function to be held in the future.

## "Slavic Folk Art" On Display In Coleman

One of the richest collections of folk art and handicrafts ever to be presented anywhere in Canada will be shown in Coleman.

Known as the Exhibition of Slavic Folk Art and Handicrafts, it will be for three days, on Thursday, Friday and Saturday, February 17th, 18th and 19th in the new Elk Hall, at the West end of the Main Street, Coleman, Alta. and will be officially opened by the mayor of the town of Coleman, Mr. P. Abousaffy, Thursday, Feb. 17th at 7 p.m.

On display will be hundreds of examples of the beautiful folk art of the Slavic people—the Ukrainians, Poles, Russians, Byelorussians, Czechs, Slovaks, Yugoslavs, Bulgarians and Macedonians. Included are samples of embroidery, fine needlework, woodcarving, inlaid work, national costumes, hand-painted pottery, bone and ivory carving, leathercraft, rugs, tapestry, dolls, toys, etc.

Some of the items are priceless masterpieces unsurpassed in their beauty and originality.

Most of the articles have just recently arrived from Europe and are being shown in Canada for the first time. There will also be on display samples of embroidery and needlework made by Slavic Canadian women. A limited number of handicrafts and souvenirs will be offered for sale.

The exhibition will be open to the public from 6 p.m. to 11 p.m. on Thursdays, Feb. 17th, from 3 to 6 p.m. to students on Friday, Feb. 18th, and then on to general public, and from 10 a.m. to 6 p.m. on Saturday, Feb. 19th in Elk Hall, West end of the Main Street, Coleman.

Sponsored by the Canadian Slav Committee, the exhibition is making an extensive tour of Canadian cities and towns under the direction of Mr. William Malnychuk, of Montreal.

## Special Employment Committee At Work

The local committee of the Crow's Nest Pass co-operating with the National Employment Local Office and with the assistance of the press are urging a DO IT NOW campaign for citizens, employers and industry to have proposed work such as home renovations, alterations, expansions, etc. done now while labor and material is available and contractors for the larger jobs not busy.

This committee is continuously studying the unemployment situation of the Crow's Nest Pass, analyzing the unemployment figures and comparing with previous years. Also studying ways and means of relieving the unemployment problem, which is always prevalent at this season of the year. Surveys of the conditions of the area have been made and statistics obtained which are guides to the committee as to the seriousness of the situation and valuable information necessary for this committee to assist the N.E.S. in overcoming this unemployment problem. Many of the unemployed, it is found, are in the upper age bracket, not eligible for Miners Welfare Fund and their unemployment insurance has run out. Yet many of these men are physically fit and willing and able to work and require financial assistance. Their families are grown up in the area and they mostly own their own homes. Moving to greener fields at their late age is impossible and this constitutes a real problem for them. With the fullest co-operation of citizens and business of the Crow's Nest Pass in having needed jobs done now, these workers would benefit retail stores would benefit, in fact all would benefit. If you have such a job you need done, consult the L.O. N.E.S. and they will supply the labor or maybe your neighbor is one of these unemployed and can do the job for you. Much can be accomplished if everyone co-operates.

BLAIRMORE — Constable Wilfred Becker has this week been attached to the Blairmore detachment of the R.C.M.P. Prior to coming to Blairmore Constable Becker served in Regina, Ottawa and Edmonton.

# Alberta Golden Jubilee

1905 - 1955

The fiftieth year has been a year for Jubilation ever since the children of Israel were commanded to mark that year as a time of ingathering and celebration. It is right that we in Alberta, also, should hallow our fiftieth year for there is much cause for thanksgiving and rejoicing in a land so richly blessed by the Creator. A Golden Jubilee Year serves only to increase and concentrate the praise that should continually be going forth to God from a free and prosperous people.

Alberta Jubilee Celebrations will continue from January to December but activities will be concentrated during the summer months beginning June 6th. The climax will come during Golden Jubilee Week of September 5th to 10th when gay parades will move through crowded streets and groups will join in the presentation of colorful pageants. Work completed will be dedicated and work to be done will be officially recognized by the traditional laying of the corner stone.

Preceding this week of festive activities will be the Provincial Day of Prayer. September 4th has been set aside as a day in which all citizens may give thanks for the progress of the past half century and humbly ask for continued prosperity in coming years.

All babies born in Alberta on

Jubilee Day, September 1st, will receive engraved silver spoons and a presentation will also be made to all those married in the Province on Jubilee Day. Illuminated scrolls will be presented to senior citizens who were living in Alberta during 1905 and are residents during 1955.

Rustic arches are to be built to provide a permanent, decorative entry to the Province, and will be erected on main highways leading into the Province to welcome tourists and Jubilee visitors. The program of identifying and marking Alberta historic sites will be intensified during 1955, while the Department of Highways will establish as many picnic table sites as possible, placing shelters over tables where necessary and providing restrooms wherever possible.

A Red Deer River Valley Memorial Park is to be established in that area of Alberta noted for its relics of the prehistoric ages. This park will be dedicated during celebrations in the Badland district of Steeverville.

A special information display will be erected at the Fort Macleod Tourist Information Bureau, a joint project of the Department of Economic Affairs and the Canadian Rockies Tourist Association. This is part of an extensive publicity program being under-

taken to advertise and promote all features of the Alberta Golden Jubilee.

Special programs will centre around building projects in the Province, including the new auditoria in Edmonton and Calgary. Contracts for their construction provide for completion by September 1st, 1955.

Two mobile caravans are to be purchased to carry and exhibit Golden Jubilee displays. The caravans, which will be equipped with facilities for the projection of motion pictures, will tour Alberta towns, villages and municipalities from June to September as part of local Jubilee programs.

A professional square dance caller will be employed for about three weeks to assist in local Jubilee celebrations and possibly a dance orchestra will be invited to play at special Jubilee dances.

In the field of cultural activities, the University of Alberta Mixed Chorus will tour the Peace River district from May 1 to 10, after which it may be available for performances in different parts of the Province. A song-writing competition, sponsored by the Alberta Music Board and offering three cash prizes for acceptable Jubilee Songs, is hoped to lead to the publication of a book of Alberta Songs, while a play-writing competition for Alberta authors will offer three cash prizes of \$250 each.

Alberta's Golden Jubilee Anthology is expected to be off the press early in March. Included in this book of Alberta articles, fiction and poetry, are reproductions of eight Alberta paintings. These paintings, purchased by the Government, will be on display during the year. Ten thousand copies of the Anthology are being purchased and will be distributed throughout the Province.

Special Jubilee activities in Alberta Schools will be arranged by the Alberta Department of Education, with the Department of Agriculture providing seedlings for beautification projects. On June 9th Jubilee activities in the schools will end with a program and the dedication of the trees.

To assist municipalities in the organization of local Jubilee celebrations, the Government will make available a grant of 25¢ per capita. This fund may be used for the purchase of colored plaques, Jubilee bunting or decorations but it is hoped that many municipalities will use the fund for the establishment of some permanent project such as rest centres, parks or playgrounds.

As each community is being urged to set up its own Jubilee Committee and to arrange local celebrations, the Alberta Golden Jubilee Committee has sent out questionnaires to each municipality. When returned, the questionnaires will give the Committee information which will enable them to help each community plan their celebration.

## LOCAL NEWS

Harold Maslen has recently secured employment with the Canadian Freightways.

Laura Kobewka has returned to her duties as lab technician at the Olds Clinic after having spent the past four months visiting at the home of her parents Mr. and Mrs. Harry Kobewka of Coleman.

Harold Jones well known Coleman resident has this week purchased the building formerly housing the International offices on second street. Mr. Jones plans on opening a business shortly.

### AUDITOR'S CERTIFICATE

I have audited the accounts of the Coleman School District No. 1216 for the year ending December 31, 1954, and have compared the said accounts with their relative vouchers and certify that in my opinion the foregoing financial statements are properly drawn up so as to exhibit a true and correct view of the financial affairs

of the School District according to the best of my information, the explanations given to me, and as shown by the records, subject to any qualifications mentioned in Auditors' Special Report.

T. A. COLLISTER,  
Coleman, Alberta.

Date of Audit, January 8th, 1955.

## "A Nicht Wi Burns"

HILLCREST — A grand banquet was held in the Moose Hall in Hillcrest Friday evening, January 28th, under the auspices of the newly organized "Crows Nest Pass Burn's Club" which was formerly known as the Bellevue Caledonian Society. Chairman for the splendid occasion which was attended by well over three hundred persons was Charlie Young of Bellevue president of the organization.

To start off the festive evening the Haggis was piped in by Pipe major James Moore of Coleman and Miss Carol Draper of Bellevue in the traditional manner. Both pipers were dressed in Scottish garb and were followed down the centre of the hall by Robert Stenhouse who carried the Haggis.

After placing the Haggis on the head table M. A. E. McMurdo of Pincher Creek addressed the Haggis in a humorous fashion after which the scotting delicacy was cut by Mr. McMurdo and served. A toast to the queen was proposed by Charles Ritchie Sr. of Bellevue after which the 300 guests sat down to a hot turkey banquet. During the course of the evening a musical programme was thoroughly enjoyed and comprised — "The Star O' Robbie Burns" sung by Mrs. J. Armit of Lethbridge; Annie Laurie and "There's Nae Luck About the Hoose" by Mrs. Bill Harvey of Bellevue; "There Was a Lad" and "Whistle and I'll come tae ye", by Audrey Bonne of Blairmore.

### Miss Lynch-Staunton Chosen Queen C.N.P. Winter Carnival

Miss Marina Lynch-Staunton of Maycroft, sponsored by the Maycroft Ski Club, was selected Sunday as Queen of the Crows Nest Pass Winter Carnival. The two other contestants, Miss Beatrice Gejdoss sponsored by the Coleman Elks and Miss Beverly Kemp sponsored by the Blairmore Scouts Troop were close runners up in the contest.

Miss Lynch-Staunton left town this week for Banff where she will represent the Crows Nest Pass in the Banff Carnival Queen competition.

### Meeting At Blairmore Studies Formation Of School Division

BLAIRMORE — Well over 100 persons from the Crows Nest Pass towns attended a meeting in the Blairmore Union hall on Monday evening to form a committee to investigate possibilities of forming an enlarged school division in the Crows Nest Pass which would comprise all of the Pass area or any part that wished to amalgamate into the division. Mayor William Gray of Blairmore was appointed to act as chairman of the meeting while V. J. Horesji of Frank was appointed as secretary.

The question was immediately brought up as to what steps would have to be taken to hold a plebiscite in Blairmore and other surrounding towns in regard to this matter.

In response to this question James Anderson chairman of the Blairmore School Board stated that about one year ago a meeting had been held in Blairmore attended by all Pass school Boards and also by Minister of Education Mr. A. Aalborg and Doctor Swift the Deputy minister. At this time, Mr. Anderson stated, the Co terminus area had been mentioned and borders for this area included the area from Passburg to Coleman and surrounding rural areas. The plan at this time was turned down 100% by Coleman who informed the minister that he could start the area anywhere east of Coleman. A vote was held in Coleman two months later and showed Coleman to be again 100% against the formation of such an area. Mr. Anderson also pointed out that at that time all of the Boards were in favor of forming a division with the exception of Coleman. The matter was then left dormant. Mr. Anderson then suggested that since a report would be made public within the next month of the findings of the Co Terminus Commission that the matter be left over until such time that the findings were disclosed.

Councillor Joe Bobrowsky, also

"Hail Caledonia" and Jock O' Hazeldean" by Mrs. V. Riva of Hillcrest; "Ye Banks and Braes" by Mr. Ralph Draper of Bellevue; "The Lass of Ballochmyle" "Green Grow the Rushes" and "The Deil's Awa" by Mr. McMurdo of Pincher Creek. A recitation "Tom O' Shanter" was then given by Robert Jenkins of Coleman followed by two recitations by Mrs. J. Brown of Hillcrest. Two solos were also rendered by Mrs. James Craig of Frank and during the dance Mrs. John Pierzchala sang two solos "My Ain Folk" and "My Ain Wee Hoose". During the evening toasts were proposed to the "Immortal Memory" by Chas Young, to Canada by the Reverend L. Carroll, to Scotland by M. McEachern and to the Lassies by John Kerr and responded to by Mrs. Charles Young.

After the supper and entertainment a dance was held which lasted until the wee hours of the morn. Music for the dance was supplied by Bob Blake of Blairmore on the piano, Frank McLafferty on the violin and by Pipe Major Moore and Miss Draper.

To conclude the very successful occasion all joined in to sing "Auld Lang Syne" and "God Save the Queen".

The accompanying photo shows Mr. McMurdo of Pincher Creek, cutting the Haggis while seated to the left is Charlie Young of Bellevue president of the newly formed club.

present at the meeting, then stated that he felt that the formation would be of no advantage to the area and would only tend to raise the mill rate in towns.

In response to this D. H. McRae of Blairmore stated that people should forget and never mind taxes but should put better education facilities for our present youth along with a more varied curriculum. This suggestion was given a hearty applause.

Councillor William Jallep a high school teacher then stated that the local school has no facilities for the students and that at present we were twenty years behind the rest of the province in regard to education.

A committee was then appointed to comprise Chairman D. H. McRae, John R. McLeod, Mrs. G. Blake, John Dobek and C. Gillis.

A motion was then made that this committee should be enlarged by membership from surrounding towns and villages with the purpose of investigating the possibilities of the enlarged school district. This committee will report to a public meeting to be called in the very near future.

### New Appointment For Army

VANCOUVER — Brigadier George Kitching, CBE, DSO, CD, 44, will take over the appointment of Commander, British Columbia Area, with headquarters in Vancouver, on January 24, the Army said today.

He succeeds Major-General W. J. McGill, DSO, SD, who was appointed senior military adviser to the Canadian Commissioner of the International Supervisory Commission in Indo China last August.

Li-Col. D. A. Kellough, Assistant Adjutant and Quartermaster General, has been acting B.C. Area Commander since Gen. McGill left Vancouver.

Brigadier Kitching has been Commander, 2nd Canadian Infantry Brigade prior to his new appointment. Born in China, the son of a British Consular official, he was educated at Cranleigh School, Surrey, England, and at Royal Military College, Sandhurst. On graduation in 1930 he was commissioned in the Gloucester Regiment and served in Singapore (1931-32) and India (1932-37). He resigned his commission in 1937 and came to Canada where he entered business in Montreal.

Joining The Royal Canadian Regiment as a lieutenant in September 1939, he went overseas with the 1st Canadian Division three months later. By 1941 he was a major. After graduating from the Staff College at Camberley, England in 1942, he was appointed to the staff of Headquarters, 1st Canadian Corps. In August 1942 he was appointed commanding officer of the Royal Edmonton Regiment as a lieutenant-colonel.

From December 1942 until November 1943 he served as senior general staff officer at Headquarters, 1st Canadian Division, during the period of the cam-

paign in Sicily and the invasion of Italy.

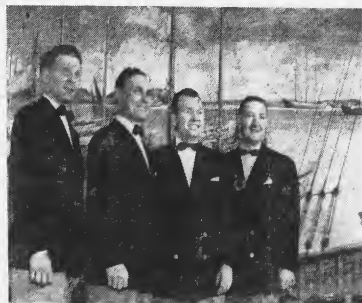

In November 1934 he was appointed to command 11th Canadian Infantry Brigade. A year later he was appointed Chief of Staff, 1st Canadian Corps and served in that capacity in Italy and Northwest Europe. In August 1945 he became Vice Quartermaster General at Army Headquarters. He was named Director General of Army Personnel in August 1950 and in March 1951 he became Commandant, Canadian Army Staff College, Kingston, Ont. He

became Commander, 2nd Canadian Infantry Brigade in May 1954.

### HEALTHY BLOOD

To keep the blood in good healthy condition, it must receive adequate supplies of the mineral, iron. This is obtained through the diet, by eating foods such as liver, kidney, heart, tongue, seafood and eggs. Beans and peas, dried apricots, peaches, prunes and raisins are also good sources of iron.

Wholegrain cereals should be added to the list.

Atlantic waves rolling in on a Nova Scotia beach, followed by the Eileen Cameron poem which opens "We give you ships and tides and men, Anchors Aweigh and wind-filled sails; We give you back the sea again in sailor's song and rousing tale..." — these sounds have introduced "Harmony Harbour" to listeners of the CBC Trans-Canada network for some years now. On the regular Sunday show, soon to begin its eighth season, tales of the sea are told, giving listeners an insight to the great days of Canadian maritime history; sea chanteys varying in sentiment from rollicking pirate's songs to sailor's vesper hymns are also offered, featuring the Arcadian Male Quartet (above). The program originates from the heart of Canada's eastern seaboard, at Halifax.

The first propeller-turbine Vickers Viscount to operate in North America is seen from the top of a hangar at Montreal Airport, Dorval, moments after it arrived from England. Also shown is a section of the crowd of more than 200 persons who came to witness the arrival. President G. R. McGregor of TCA chats before the microphone with George Edwards (on his left), the designer of the aircraft and managing director of Vickers-Armstrong Ltd., Aircraft Division.

## Bus Problem Is Studied By Council

COLEMAN — Coleman town council at its meeting held this week again discussed the bus problem in town. It was agreed that the secretary write to the Greyhound Bus lines to enquire as to why the bus depot had been removed from town and relocated at a point at the extreme east end of Coleman which was a very inconvenient location. Enquiries will also be made as to why a local bus operator retains the franchise on a bus line for the Crow's Nest Pass and does not operate a bus service. Council felt that other persons might be interested in taking over the franchise and give residents here a bus service.

The town will advertise requesting that all Coleman old timers that were in Coleman in 1905 and prior thereto register at the town hall and these names will be turned into the Government Jubilee committee. This measure was requested by the jubilee committee as it is understood that the old timers will receive a Jubilee souvenir gift.

The police report was read and showed that the month of January had been a very quiet one in respect to police work.

It was announced that there would be two vacancies on the town, council, three on the school Board and one on the hospital board.

## Children's Hospital Aid Society

Dear Friend:

It is unfortunate that there is a duplication of "Easter Seals" in Alberta, but we want you to know that the Children's Hospital Aid Society are not the offenders in this duplication. We were the first organization in Alberta to send out "Easter Seals" for crippled children, and have made this our Major Project for the past ten years.

It has always been the policy of Hospital Aid, to have no paid help of any kind, and our sixty-five members, work zealously and cheerfully for Alberta's Crippled Children. However, we do depend on YOU — our Alberta Public — to support us in our worthy work to help us keep little faces smiling and happy.

This is what we have already done in the new hospital, with the money you have donated in the past —

1 — We furnished two wards, costing over \$6,000.

2 — We paid \$22,800 for the first elevator.

3 — We purchased a \$20,000 X-ray Unit.

4 — We added a part for the X-ray Unit, needed for Polymyolitis — \$950.00.

5 — We provide \$660.00 each month for the up-keep of our wards.

6 — We purchased a second

elevator at the cost of \$25,000.

7 — We provided a "Seeing Eye" for the first elevator — \$1,200.00.

8 — We purchased an Explosion-proof Portable Luminaire Lamp for the operating room — \$470.00.

9 — Our objective for this year is to class — in the "Sun Deck".

To cover the expenses of our "Easter Seal" Campaign, we do the following:

1 — Sell programmes at the Football games and at the Annual Horse Show.

2 — Have our Annual Tea at Terrill's Greenhouses.

3 — From the "Wishing Well" in the Uptown Theatre, we recovered in 1952 — \$730.00, 1953 — \$880.00, and in 1954 — \$629.00.

I would like to take this opportunity to "thank you" for your generous support in the past, and may we ask you, as a friend of the crippled children — to use our seals and send again your most appreciated donation.

Yours sincerely,

CHILDREN'S HOSPITAL AID SOCIETY.

Mrs. R. J. Dinning,

President.

## Legion Entertainment News

In the entertainment department your Legion has been pleased to note how the members have turned out to enjoy the Film Nites every Thursday. With some of the finest films ever produced by the National Film Board, J. Arthur Rank and numerous other agencies. It has been our pleasure to have been able to give to our school children many outstanding films on sport, current events, and other subjects. This was only possible with the kind co-operation of the Principal, Mr. H. Allen and Mr. E. Mascherin who has assisted many times and to these gentlemen we express our great appreciation and say THANK YOU.

To those that do not know, we would like to report your Legion has shown over 840 films with the combined footage of 100,000 feet of film and over 5,600 persons have seen these films. The month of February is our Second Anniversary for Film Nites and it had been hoped to have the Grey Cup 1954 film for this occasion. But you will not be disappointed as this film will be shown in the Legion Clubrooms on Thursday, April 21st according to our bookings. As this film is in great demand we wish to have as many members and guests as possible see it while it is here. Watch for further announcements on this film. If possible it will also be shown to the school children.

In a year the Canadian manufacturers of dairy products use forty million pounds of sugar in the production of such goods as ice cream and condensed milk.

## Campaign To Create Jobs

The National Employment Service is appealing to householders, property owners and employers to do repair jobs, alterations, any work that has to be done or contemplated to DO IT NOW, when workers are available and in need of work, rather than to wait until spring.

As everyone is aware, many of our local citizens are at present unemployed and willing and anxious to work. No job too small. Contact your employment branch of N.E.S. for labor required.

Co-operating with and assisting the local office of the N.E.S. is the Crow's Nest Pass Seasonal Employment Committee. Mr. F. Aboussafy, Mr. VanWyck, Mr. L. Morran, Mr. W. Gray and Mr. V. Decoux.

This campaign should not be interpreted to mean that the unemployment situation is critical. It is not unusual. This is a condition that is general at this time of the year and a campaign of this nature would help considerably every year in January, February and March when employment is at a low ebb, through the seasonality of industry. To make such a campaign a success it requires the fullest co-operation of all citizens, business and industry. If everyone would review their anticipated jobs which they intend to have done and have it done now, it will mean employment for the seasonally unemployed, material purchases stimulating business and completion of the jobs and projects when labor is available. Around the homes, there are home alterations, repairs, painting, paper hanging, furniture repairs, cess pools, electrical outlets. Maybe the car could stand a check up etc. Later on many such jobs would have to wait their turn or materials not available and carpenters, plumbers, electricians and garage mechanics busy. Now is the time to get these jobs done when labor and materials are available and a better, quicker job can be done. Co-operation of everyone in this campaign will mean much to the prosperity of the Crow's Nest Pass.

## Robins

What an amusing sight met our eyes the other day.

We noticed robins flying about and when we looked out there must have been at least 70 birds. They would alight on the deep snow to peck at the frozen apples and simply stripped all the berries off the Cotoneaster bushes. I put out various tidbits, but the berries seemed to suffice. They remained for two days.

Then in a whirl of wings took off in a southerly direction. The winter birds blend into the landscape, but robins at this time of year looked almost exotic!

It reminded me of the quotation by Shelley . . . "O Wind, If winter comes, can Spring be far behind?"

Bernice O'Sullivan,

Just arrived from Europe! Never before seen in Canada!

**"CRIME IN YOUR COMMUNITY"**

The duties of law enforcement agencies are many and varied. An important part of police work is, of course, the apprehension and prosecution of criminals and the enforcement of many lesser federal and provincial statutes.

A further and less publicized activity is that pertaining to the prevention of crime. The Royal Canadian Mounted Police has always been interested and active in Crime Prevention Services and in keeping with this service to the country has prepared for distribution throughout Canada a pamphlet "Crime in Your Community".

The pamphlet is intended for distribution to store-keepers and businessmen and is a further effort in the field of preventive police work. It presents suggestions regarding the adequate securing of premises against break-ins, safeguards against acceptance of worthless cheques, how to identify counterfeit money, and many others.

The pamphlet is being distributed by the RCMP detachments

throughout Canada. Similar experiments carried out in England have resulted in a very impressive falling off of some types of crime, particularly such offences as thefts of and from vehicles, house breaking, petty thefts and the issuing of fraudulent cheques. In some instances a decrease of over 50 per cent followed the release of such preventive publicity. Also, the decrease in crime enabled a more thorough investigation of such offences as were committed and resulted in an increase in the percentage of cases successfully concluded.

It is pointed out that the individual too, has a responsibility in the safeguarding of his property and it is hoped that the suggestions made will be given serious consideration and carried out where applicable.

fact that city-dwellers like the program as much as those who live in the smaller centres is proven by surveys — Neighbourly News in Ontario has a larger audience than any other program on the air at its time of broadcast.

CBC's Reid Forsee will produce the special anniversary program, and Don Fairbairn will act as host. Forsee has been with Neighbourly News since it began, starting out as its announcer and later becoming its producer, a post he still holds. Fairbairn took over as commentator seven years ago, after the death of the well-loved Andy Clarke who, through his association with the program, was dubbed "the mayor of the little places".

**Blind Man In The Workshop**

A blind man can get even more relaxation out of a basement workshop than a sighted person, an article in the February issue of Canadian Homes and Gardens points out.

"The Colonel is a Handyman", by Robert Pulford, tells the story of one of Canada's most unusual hobbyists — Col. E. A. Baker, — sightless managing director of the Canadian National Institute for the Blind.

Though totally blind since struck by a German bullet in 1915, Baker is an expert amateur craftsman, who produces difficult and professional-looking pieces of work. He has turned out everything from step ladders to wood-and-ivory gavels, and he operates by himself seven power tools.

"Ironically," the article says, "Baker probably gets more mental relief from his work-shop than most sighted hobbyists. Their minds can stray back to business as they execute unimportant chores. But he can never afford to have his mind off the tools for a moment."

This concentration is the key to his success, Baker says. He has never had a workshop accident.

"The need to relax from his work at the office drove Baker into the workshop 35 years ago," the article says. "Like millions of other men, he found evening and week-end relief with a hammer, a saw and a piece of wood... and he calls his hobby the best form of distraction from office worries that I know."

**Curling Complaint**

My car is stiff, the weather's cold. To get some gas, it must be towed; But the pumps are locked, and I am told

They're Curling!

I've got a cold, I'm feeling tough. Without some rub it will be rough: The boss is gone—can't find the stuff—

They're Curling!

I feed the pigs and milk the cow— It goes to town, but not right now: They won't haul it anyhow—

They're Curling!

With faces shining like a jewel, Our kids must try to learn the rule;

But do you find them in school? They're Curling!

When Granpas are away it's mighty rare, They are usually home in a rocking chair;

You are right, they are not there—

They're Curling!

Our mothers used to think it nice To sweep the floors, and cook the rice;

But now they'd rather sweep the ice—

They're Curling!

To curlers all, who read this rhyme, Control yourself, forget my line; We can't fight now—I haven't time—

I'm Curling.

—Gordon Nielson, Perintosh, Alta.

Readers will be interested to know that this was written by a boy who has suffered complete blindness through diabetes. His friends joined together to get him a typewriter and radio, and he's doing nicely in mastering the typewriter.

**BUILDING CONTRACTORS**

Builders' Headquarters  
Celli's Building Supplies

**Mrs. Sloman Passes**

COLEMAN — Mrs. Kate Marion Sloman of Coleman passed away in the Crow's Nest Pass Municipal hospital here Thursday night following a period of ill health.

Mrs. Sloman 60 years of age was born in London, England on January 14th, 1895 and came to Canada with her husband in November 1947 where the family have resided since. Mrs. Sloman was a member of the Coleman Branch of the Canadian Legion Ladies Auxiliary and also of the Church of England.

She is survived by her husband Charles and two sons Leslie and Raymond all of Coleman and by one daughter Phyllis Mrs. Jasper Jones and three grandchildren of Coleman; two brothers Richard and Harry Metcalf; three sisters, Ada Metcalf, Clara Lacey and Ethel Barham all in England.

Funeral services will be conducted from St. Albans Anglican church in Coleman at 3:00 p.m. on Sunday afternoon and interment will be made in the Coleman Union Cemetery. The Reverend F. A. Dykes will officiate.

**Books**

I do wish all children had access to good books.

They play such an important part in character building and teaching one to judge human nature. Then there is the never-ending pleasure of travelling to other countries and reading how different races live. Happy hours spent with a book around the open fireplace is a memory to cherish all your life. The illustration in children's books are so fascinating too.

One I have in mind is "Snow-shoe Country" by Florence Page Jacques. The black and white etchings of the pine and spruce trees and the various birds and animals are so life-like. In fact, good books should be a part of every child's education. Don't you agree?

Bernice O'Sullivan,  
Boswell, B. C.

Leave your Winter blues behind and head west to the balmly sun-drenched West Coast... Canada's Evergreen Playground. **Advertising...**

Modern advertising is a necessity to hold and build business. Be proud of your business, of the goods you have to sell, of the services you have to offer in your particular line. Show the progressive spirit and the desire to serve by advertising. Do not hide your light under a bushel — proclaim far and wide who you are and what you have to sell and where your place of business is, for public memory is short, and advertising is a powerful aid to all types of businesses. Moreover, people as a general rule shop where they are invited.

## Personalities IN THE NEWS

Mr. and Mrs. H. Allen motored to Calgary last week-end to hear the University of Alberta Mixed Chorus render a well-balanced program of traditional airs, religious music and folk songs in Knox United Church. Their niece, Miss Jean Parker, is a member and secretary for the 150 University singers.

Mrs. J. McDonald and Margaret visited Calgary. While they were in the city they attended the colorful Ice Icicles staged in the Stampede Corral.

Coleman Students from Grades V. to XII. attended the matinee showing of Shakespeare's "Julius Caesar" on Tuesday at the Roxy theatre.

St. Alban's Anglican Church Services for Sunday, Feb. 13 Rector, Rev. F.A. Dykes, B.A. L. Th.

Mr. and Mrs. W. Purvis were Lethbridge visitors over the week-end.

Mr. and Mrs. M. D'Amico and family visited Lethbridge last week-end.

Mrs. Geo. Jenkins and Mrs. W. Dutil visited relatives and friends in Calgary recently.

R. J. Snowden of Calgary has this week accepted a position with the Coleman Journal.

Don Ball of Fernie was a Coleman business visitor Saturday.

Harry Drew of Swan River has returned to The Pass this week-end to take up residence in Coleman.

Miss Aileen Mercier of Coleman was a visitor to Calgary over the week-end.

Attending the Ice Cycles in Calgary over the week-end were Mr. and Mrs. Horace Allen, Mr. and Mrs. Jenkins and Mr. and Mrs. John MacDonald.

Pipe Mayor and Mrs. Jim Moore have recently moved into the residence on third street known as the Andy Macleod house.

Friends visiting Mr. and Mrs. I. Nelson of Nanton and formerly of Coleman report the couple very happy in their new prairie location. Mr. Nelson states that since the town is strictly a gas burning centre he has lost his daily chore of hauling coal and ashes. The couple wish to be reminded to their many friends here.

Mrs. Agnes Ryan R.N. formerly of Coleman and now on the staff of the Holy Cross hospital in Calgary sends her best wishes to her many friends here.
